Convenience Combined with World-Class, Personal Care

The physicians at the Aria 3B Orthopaedic Institute have a long tradition of providing patients in South Philadelphia and Center City with world-class, leading-edge orthopaedic care. Our office on 6th and Walnut Streets in the historic Curtis Center and our new state-of-the-art surgical facility in Bucks County allow us to further expand our ability to provide personalized, coordinated care.

At Aria 3B, we are committed to making your care convenient and seamless.

A Tradition of Care, Conveniently Located

The Aria 3B Orthopaedic Institute's **Center City** office continues our tradition of excellence, serving Philadelphians with the finest routine, pre- and post-operative care.

With eight operating rooms and 30 large, private inpatient rooms, our 50,000 square-foot facility in **Bucks County** offers an innovative, second-to-none surgical environment that blends clinical expertise and the latest technologies to optimize the patient experience.

Recognized as leaders in their fields, the 3Bs have over 100 years of combined experience with internationally recognized expertise in knee and hip replacement, arthroscopic surgery and sports medicine, and comprehensive spine care – including complex reconstruction, disc replacement and minimally invasive procedures.
