

The Breast Center at Jefferson Torresdale Hospital

A special experience for the women
in our community

Discover the Difference at Our Updated Mammography Suite.

Jefferson Torresdale Hospital has a proud tradition of serving the women in our community with the utmost excellence in mammography services. Now we're pleased to provide an experience for our patients that goes beyond clinical.

Screenings can be stressful, and the traditional mammogram can be a cold and impersonal event. With recent renovations to our suite at Jefferson Torresdale Hospital, we're able to bring you a new kind of mammography experience—one that's more relaxing and distracts from your stress.

Same Quality, New Experience

We've combined the state-of-the-art technology we've always offered with a more comforting, welcoming environment that provides a more personalized, comprehensive, and spiritually satisfying experience for our patients.

As always, we offer Hologic Dimensions 3D Breast Tomosynthesis, as well as our Fast Track Program providing same-day results.

**Schedule your mammogram today, and discover
a special kind of experience at our newly renovated suite!**

Jefferson Torresdale Hospital
10800 Knights Road, Suite 104
Philadelphia, PA 19114
